In the event of any conflict between the Articles of Incorporation and the Bylaws, the Articles of Incorporation shall control; and in the event of a conflict between the Articles of Incorporation or the Bylaws and the provisions of the Declaration, the provisions of the Declaration shall control. The business and affairs of the Association shall be managed by its Board of Directors, unless otherwise reserved to the Members of the Association by law, the terms of the Declaration, or the Bylaws. It shall be the responsibility of each Owner or occupant of a Dwelling Unit to obtain copies of and become familiar with the terms of the Declaration, Articles of Incorporation, Bylaws, Rules and Regulations and Minimum Construction Standards.

The Association, acting through the Board, shall be entitled to enter into such contracts and agreements concerning the Subdivision as the Board deems reasonably necessary or appropriate to maintain and operate the Subdivision in accordance with the Declaration, including without limitation, the right to enter into agreements with adjoining or nearby land Owners or governmental entities on matters of maintenance, trash pick-up, repair, administration, security, traffic, operation of recreational facilities, or other matters of mutual interest. Provided, however, prior to changing the name of the Owner of any Lot on the membership rolls of the Association, the Association or its managing agent (if authorized by the Board of Directors) may charge a transfer fee or processing fee when ownership to any Lot changes or the Mortgage on the Lot is refinanced. SECTION 3.4. VOTING OF MEMBERS - The Association shall have two classes of membership for voting purposes:

Class A. Class A members shall be all those Owners as defined in Section 3.3, with the exception of Declarant. Class A Members shall be entitled to one vote for each Lot in which they hold the interest required for membership in Section 3.3. When more than one person holds interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to one Lot.

The Class B Member shall be entitled to five (5) votes for each Lot in which it holds the interest required for membership by Section 3.3; provided, however, that in the event any governmental authority requires fewer than five votes per Lot by a person holding Declarant's status for issuance of its approvals, Declarant, in its sole discretion, may elect to reduce its votes per Lot to a number acceptable to such governmental authority. Provided further, that the Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

Any such Rules and Regulations shall be reasonable and uniformly applied to all Members and their families, tenants, and guests. Such Rules and Regulations shall be effective only upon adoption by resolution of the Board of Directors. Written Notice of the adoption, amendment, or repeal of any Rule and Regulation shall be given by depositing same in the regular mail to each Member at the last known address of such Member according to the records of the Association. Copies of the currently effective Rules and Regulations shall be made available to each Member upon request and payment of the reasonable expense of copying the same. Each Member shall comply with such Rules and Regulations and shall see that Persons claiming through such Member as a tenant, guest or otherwise shall comply with such Rules and Regulations. Such Rules and Regulations shall have the same force and effect as if they were set forth in and were a part of this Declaration. In the event of conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

SECTION 3.6. POWER TO ENFORCE DECLARATION AND RULES AND REGULATIONS - The Association shall have the power to enforce the provisions of this Declaration and any Rules and Regulations and shall take such action as the Board deems necessary or desirable to cause compliance by each Member and each Member's family, guests, or tenants. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration and of the Rules and Regulations of the Association by any one or more of the following means: (a) by entry upon any Lot within the Subdivision after notice (unless a bona fide emergency exists in which event this right of entry may be exercised without notice [written or oral] to the Owner, but in such manner as to avoid any unreasonable or unnecessary interference with the lawful possession, use, or enjoyment of the Improvements situated thereon by the Owner or any other Person), without liability by the Association to the Owner thereof, for the purpose of enforcement of this Declaration or Rules and Regulations, by mandatory injunction or otherwise; (c) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration or the Rules and Regulations; (d) by exclusion, after notice, of any Member or Member's family, guests or tenants from

use of any recreational facilities in the Common Areas during and for up to sixty (60) days following any breach of this Declaration or such Rules and Regulations by such Member or Member's family, guest, or tenants, unless the breach is a continuing breach in which case, such exclusion shall continue for so long as such breach continues; (e) by suspension, after notice, of the voting rights of a Member during and for up to sixty (60) days following any breach by such Member or Member's family, guests, or tenants, of this Declaration or such Rules and Regulations unless the breach is a continuing breach in which case such suspension shall continue for so long as such breach continues; (f) by levying and collecting after notice, a Reimbursement Assessment against any Member for breach of this Declaration or such Rules and Regulations by such Member or Member's family, guests, or tenants; and (g) by levying and collecting, after notice, reasonable and uniformly applied fines as established in advance in the Rules and Regulations of the Association, from any Member, and such Member's family, guests, or tenants, for the breach of this Declaration or such Rules and Regulations.

SECTION 3.8 POWER TO GRANT EASEMENTS - Declarant, while Declarant owns the Common Area and thereafter the Association, shall have the power to grant access, utility, drainage, water, facility, cable television, and other such easements in, on, over, or under the Common Areas.

ARTICLE IV
ARCHITECTURAL APPROVAL

SECTION 4.1. ARCHITECTURAL CONTROL COMMITTEE. As used in this Declaration, the term "Architectural Control Committee" shall mean a committee of three (3) members, all of whom shall be appointed by Declarant, except as otherwise set forth herein. Declarant shall have the continuing right to appoint all three (3) members until the earlier of (a) the date the last Lot owned by Declarant is sold (except in connection with a conveyance to another party that is a successor as Declarant); or (b) such date as the Declarant elects to discontinue such right of appointment by written notice to the Board. Thereafter, the Board shall have the right to appoint all members. Members of the Architectural Control Committee may, but need not be, Members of the Association. Members of the Architectural Control Committee appointed by Declarant may be removed at any time and shall serve until resignation or removal by

Declarant. The initial Members of the Architectural Control Committee are Suzan E. Taylor, N. M. Brown and Robert M. Allen. Members of the Architectural Control Committee appointed by the Board may be removed at any time by the Board, and shall serve for such term as may be designated by the Board or until resignation or removal by the Board. The Architectural Control Committee shall have the right to designate a Committee Representative by recordation or a notice of appointment in the Official Public Records of Real Property of Montgomery County, Texas, which notice must contain the name, address, and telephone number of the Committee Representative. All third parties shall be entitled conclusively to rely upon such person's actions as the actions of the Architectural Control Committee itself until such time as the Architectural Control Committee shall record a notice of revocation of such appointment in the Official Public Records of Real property of Montgomery County, Texas.

SECTION 4.2. APPROVAL OF IMPROVEMENTS REQUIRED - The approval of a majority of the members of the Architectural Control Committee or the approval of the "Committee Representative" shall be required for any Improvement to Property before commencement of construction of such Improvement to Property, other than an Improvement to Property made by Declarant.

SECTION 4.3. ADDRESS OF COMMITTEE - The address of the Architectural Control Committee shall be at the principal office of the Association.

SECTION 4.4. SUBMISSION OF PLANS - Before commencement of work to accomplish any proposed Improvements to Property, the Applicant proposing to make such Improvement to Property shall submit to the Architectural Control Committee at its offices copies of such descriptions, surveys, plot plans, drainage plans, elevation drawings, construction plans, specifications, and samples of materials and colors as the Architectural Control Committee reasonably shall request, showing the nature, kind, shape, height, width, color, materials, and location of the proposed Improvement to Property, as may be more particularly described from time to time in any Minimum Construction Standards adopted by the Architectural Control Committee. The Architectural Control Committee may require submission of additional plans, specifications, or other information before approving or disapproving the proposed Improvement to Property. Until receipt

by the Architectural Control Committee of all required materials in connection with the proposed Improvement to Property, the Architectural Control Committee may postpone review of any materials submitted for approval. Notwithstanding the above, a Builder's plan for Improvements, once approved, shall not be required to be resubmitted for approval unless such plans are modified or changed. In such event, the Architectural Control Committee will not unreasonably withhold or delay its approval of any plans submitted as provided under this Declaration.

SECTION 4.5. CRITERIA FOR APPROVAL - The Architectural Control Committee shall approve any proposed Improvement to Property only if it determines in its reasonable discretion that the Improvement to Property in the location indicated will not be detrimental to the appearance of the surrounding areas of the Subdivision as a whole; that the appearance of the proposed Improvement to Property will be in harmony with the surrounding areas of the Subdivision, including, without limitation, quality and color of materials and location with respect to topography and finished grade elevation; that the Improvement to Property will comply with the provisions of this Declaration and any applicable plat, ordinance, governmental rule, or regulation; that the Improvements to Property will not detract from the beauty and attractiveness of the Subdivision or the enjoyment thereof by Owners; and that the upkeep and maintenance of the proposed Improvement to Property will not become a burden on the Association. The Architectural Control Committee is specifically granted the authority to disapprove proposed Improvements because of the unique characteristics or configuration of the Lot on which the proposed Improvement would otherwise be constructed, even though the same or a similar type of Improvement might or would be approved for construction on another Lot. The Architectural Control Committee may condition its approval of any proposed Improvement to Property upon the making of such changes thereto as the Architectural Control Committee may deem appropriate.

SECTION 4.6. MINIMUM CONSTRUCTION STANDARDS - The Architectural Control Committee from time to time may supplement or amend the Minimum Construction Standards, which provide an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline only and the Architectural Control Committee may impose other requirements in connection with its review of any proposed Improvements.

SECTION 4.7. DECISION OF COMMITTEE - The decision of the Architectural Control Committee shall be made within thirty (30) days after receipt by the Architectural Control Committee of all materials required by the Architectural Control Committee, or within seven (7) business days of receipt of a Builder's request involving a plan for improvements previously approved. The decision shall be in writing and, if the decision is not to approve a proposed Improvement to Property, the reasons therefor shall be stated. The decision of the Architectural Control Committee promptly shall be transmitted to the Applicant at the address furnished by the Applicant to the Architectural Control Committee. Any request for approval of a proposed Improvement to Property shall be deemed approved the Architectural Control Committee unless disapproval or a request for additional information or materials is transmitted to the Applicant by the Architectural Control Committee within thirty (30) days after the date of receipt by the Architectural Control Committee of all required materials; provided, however, that no such deemed approval shall operate to permit any Owner to construct or maintain any Improvement to Property that violates any provision of this Declaration or the Minimum Construction Standards. The Architectural Control Committee shall at all times retain the right to object to any Improvement to Property that violates any provision of this Declaration or the Minimum Construction Standards.

SECTION 4.8. PROSECUTION OF WORK AFTER APPROVAL - After approval of any proposed Improvement to Property, the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in strict conformity with the description of the proposed Improvement to Property within nine (9) months after the date of approval or such other period of time as shall have been authorized in writing by the Architectural Control Committee (unless an extension has been granted by the Architectural Control Committee in writing). No Improvement to Property shall be deemed completed until the exterior fascia and trim on the structure has been applied and finished and all construction materials and debris have been cleaned up and removed from the site and all rooms in the Dwelling Unit, other than attics, have been finished. Removal of materials and debris shall not take in excess of thirty (30) days following completion of the exterior. Failure to so prosecute the approved Improvement will negate such approval.

SECTION 4.9. INSPECTION OF WORK - The Architectural Control Committee or its duly authorized representative shall have the right to inspect any Improvement to Property before or after completion.

SECTION 4.10. NOTICE OF NONCOMPLIANCE - If, as a result of inspections or otherwise, the Architectural Control Committee finds that any Improvement to Property has been constructed or undertaken without obtaining the approval of the Architectural Control Committee, or has been completed other than in strict conformity with the description and materials furnished by the Applicant to the Architectural Control Committee, or has not been completed within the required time period after the date of approval by the Architectural Control Committee, the Architectural Control Committee shall notify the Applicant in writing of the noncompliance ("Notice of Noncompliance"). The Notice of Noncompliance shall specify the particulars of the noncompliance and shall require the Applicant to take such actions as may be necessary to remedy the noncompliance within the reasonable period of time set forth therein.

SECTION 4.11. CORRECTION OF NONCOMPLIANCE - If the Architectural Control Committee determines that a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of receipt by the Applicant of the determination of the Architectural Control Committee. If the Applicant does not comply with the Architectural Control Committee ruling within such period, the Architectural Control Committee may, at its option but with no obligation to do so, (a) record a Noncompliance against the real property on which the noncompliance exists in the Official Public Records of Real Property of Montgomery County, Texas; (b) remove the non-complying Improvement to Property; and/or (c) otherwise remedy the noncompliance (including, if applicable, completion of the Improvement in question), and, if the Architectural Control Committee elects to take any action with respect to such violation, the Applicant shall reimburse the Association upon demand for all expenses incurred therewith. If such expenses are not promptly repaid by the Applicant or Owner to the Association, the Architectural Control Committee may levy a Reimbursement Assessment for such costs and expenses against the Owner of the Lot in question. The permissive (but not mandatory) right of the Association to remedy or remove any noncompliance (it being

understood that no Owner may require the Architectural Control Committee to take such Actions) shall be in addition to all other rights and remedies that the Association may have at law, in equity, under this Declaration, or otherwise.

SECTION 4.12. NO IMPLIED WAIVER OR ESTOPPEL - No action or failure to act by the Architectural Control Committee shall constitute a waiver or estoppel with respect to future action by the Architectural Control Committee, with respect to any Improvement to Property. Specifically, the approval by the Architectural Control Committee of any Improvement to Property shall not be deemed a waiver of any right or an estoppel against withholding approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications, or other materials submitted with respect to any other Improvement to Property by such Person or otherwise.

SECTION 4.13. POWER TO GRANT VARIANCES - The Architectural Control Committee may authorize variances from compliance with any of the provisions of Article V of this Declaration (except for the provisions relating to single family residential construction and use), including restrictions upon placement of structures, the time for completion of construction of Improvement to Property, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic, environmental, or other relevant considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Architectural Control Committee. Notwithstanding anything contained in this Declaration to the contrary, the Committee Representative shall not have the power to grant a variance. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance; nor shall the granting of any variance affect the jurisdiction of the Architectural Control Committee other than with respect to the subject matter of the variance, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned.

SECTION 4.14. COMPENSATION OF ARCHITECTURAL CONTROL COMMITTEE MEMBERS - The members of the Architectural Control Committee shall be entitled to reimbursement by the Association for reasonable expenses incurred by them in the performance of their duties hereunder as the Board from time to time may authorize or approve.

SECTION 4.15. RECORDS OF ACTION - The Architectural Control Committee shall report in writing to the Board of Directors all final action of the Architectural Control Committee and the Board shall keep a permanent record of such reported action.

SECTION 4.16. ESTOPPEL CERTIFICATES - The Board of Directors, upon the reasonable request of any interested party and after confirming any necessary facts with the Architectural Control Committee, shall furnish a certificate with respect to the approval or disapproval of any Improvement to Property or with respect to whether any Improvement to Property was made in compliance herewith. Any Person, without actual notice of any falsity or inaccuracy of such a certificate, shall be entitled to rely on such certificate with respect to all matters set forth therein.

SECTION 4.17. NONLIABILITY FOR ARCHITECTURAL CONTROL COMMITTEE ACTION - None of the members of the Architectural Control Committee, any Committee Representative, the Association, any member of the Board of Directors, or Declarant shall be liable for any loss, damage, or injury arising out of or in any way connected with the performance of the duties of the Architectural Control Committee, except to the extent caused by the willful misconduct or bad faith of the party to be held liable. In reviewing any matter, the Committee shall not be responsible for reviewing, nor shall its approval of an Improvement to Property be deemed approval of, the Improvement to Property from the standpoint of safety, whether structural or otherwise, or conformance with building codes, or other governmental laws or regulations. Furthermore, none of the members of the Architectural Control Committee, the Committee Representative, any member of the Board of Directors, or Declarant shall be personally liable for debts contracted for or otherwise incurred by the Association or for any torts committed by or on behalf of the Association, or for a tort of another of such individuals, whether such other individuals were acting on behalf of the Association, the Architectural Control Committee, the Board of Directors, or otherwise. Finally, neither Declarant, the Association, the Board, the Architectural Control Committee, or

their officers, agents, members, or employees shall be liable for any incidental or consequential damages for failure to inspect any premises, Improvements, or portion thereof, or for failure to repair or maintain the same. Notwithstanding the foregoing, the Architectural Control Committee shall have the right to obtain reasonable liability insurance coverage and require the Association to pay the cost of same.

All of the above designated Lots must have specific separate Architectural Control Committee approval for the construction of garages in conformity with the provisions. The garage portion of any model home may be used by Builders for sales purposes, storage purposes, and other related purposes. Upon (or before) the sale of any such model home to the first purchaser thereof, the garage portion of the model home shall be converted to a fully enclosed garage with garage doors by the Builder. If the garage portion of the model home is not converted to a fully enclosed garage with garage doors by the Builder upon the sale of such model home, it shall be the obligation of the first purchaser of the model home and each subsequent Owner to the Lot (if not done by the first purchaser) to convert the garage portion of the model home to a fully enclosed garage with garage doors.

No garage or accessory building shall exceed in height the dwelling to which it is appurtenant without the consent of the Architectural Control Committee. Every garage and accessory building (except a greenhouse) shall correspond in style and architectural and exterior building materials with the dwelling to which it is appurtenant. No structure of any kind or character which incorporates frame construction on the exterior shall be erected on any Lot unless such structure receives at least two coats of paint at the time of construction or the exterior is of redwood or cedar material. Notwithstanding the foregoing, the Architectural Control Committee is empowered to waive this restriction, if, in its sole discretion, such waiver is advisable in order to accommodate a unique or advanced building concept, design or material, and the resulting structure will not detract from the general appearance of the neighborhood. Wall materials used on all Lots shall be restricted to those types and colors of bricks approved by the Architectural Control Committee. All siding material shall be HardiPlank or equal and not more than eight inches (8") in width.

SECTION 5.9. GRASS, SHRUBBERY AND LANDSCAPING - Prior to sale thereof, each Lot with a residence thereon shall be sodded

No radio or television signals or any other form of electromagnetic radiation shall be permitted to originate from any Lot that unreasonably interferes with the reception of television or radio signals upon any other Lot.

SECTION 5.13. FLAGPOLES - No flagpole shall be permanently erected on any Lot. A temporary flagpole approved by the Architectural Control Committee may be erected on a Lot with a model home until such time that the Lot on which the model home is situated is sold.

SECTION 5.14. EXTERIOR LIGHTING - All exterior lighting must first be approved by the Architectural Control Committee.

SECTION 5.15. SOUND DEVICES - No horns, whistles, bells, or other sound devices, except for security systems used exclusively to protect the Dwelling Unit, shall be placed or used on any Lot or

An eight foot wood fence shall be constructed on the property line on the north side of Lots 2 and 3 and 5-19, Block 1. The maintenance and repair of this fence is the responsibility of the Lot Owner. Design of the wood fencing on the east boundary of the subdivision Lots 19-38, Block 1 is at the option of the Builder/Owner and shall be maintained by the Lot Owner. All other fencing shall be "good neighbor" wood fencing. Builder must submit fence plans to Developer. The Owner shall be responsible for maintaining all walls and fences installed on their property in their original condition. No chain link or other wire fencing is allowed. All fences for lots adjoining a Common Area, the Golf Course, specifically Lots 1-3, Block 2 and Lots 1-13 and 15-41, Block 3, must be constructed of wrought iron, along the rear and perpendicular interior lot lines to the principal rear elevation of the residences. Iron fences must be of the design and color as described in drawings provided by the Developer. Fences on corner lots must be wrought iron from the rear property line to the principal rear elevation of the structure. The remainder of the side lot may be fenced with a six foot wood fence of the design illustrated and provided by the Developer.

SECTION 5.19. DISPOSAL UNIT REQUIREMENTS - Each kitchen in each residential dwelling or servant's quarters situated on any Lot shall be equipped with a garbage disposal unit, which garbage disposal unit at all times shall be kept in a serviceable condition.

SECTION 5.20. REMOVAL OF TRASH AND DEBRIS DURING CONSTRUCTION - During the construction, repair, and restoration of Improvements, each Builder shall remove and haul from the Lots all tree stumps, tree-limbs, branches, underbrush, and all other trash or rubbish cleared from the Lot to permit construction of the Improvements, including landscaping. No burning of trash or other debris is permitted on any Lot, and no materials or trash hauled from any Lot may be placed elsewhere within the Subdivision, unless approved in writing by the Architectural Control Committee. Additionally, each Owner or Builder, during construction of Improvements, continuously shall keep the Lot in a reasonably clean and organized condition. Papers, rubbish, trash, scrap, and unusable building materials are to be kept picked up, and hauled from the Lot on a regular basis. No trash, materials, or dirt shall be placed in any street. Any such trash, materials, or dirt inadvertently spilling or getting into the street or street gutter shall be removed, without delay, not less frequently than daily.

SECTION 5.21. EXCAVATION AND TREE REMOVAL - The digging of dirt or the removal of any dirt from any Lot is expressly prohibited except as may be necessary in conjunction with the landscaping of or construction on such Lot. No trees shall be cut or removed except for an area within fifteen (15) feet from the proposed slab and five (5) feet from the proposed driveway to provide room for construction of Improvements or to remove dead or unsightly trees; provided, however, that removal of any other tree in excess of a two inch (2") caliber requires the approval of the Architectural Control Committee.

SECTION 5.22. PRIVATE UTILITY LINES - All electrical telephone and other utility lines and facilities which are located on a Lot and which are not owned and maintained by a governmental entity or a public utility company shall be installed in underground conduits or other underground facilities unless otherwise approved in writing by the Architectural Control Committee, and shall be maintained at all times by the Owner of the Lot upon which is located.

In the event of damage to any Improvement, the Owner shall have the shorter of the period permitted by applicable laws or sixty (60) days to begin repairing or demolishing the destroyed or damaged portion, and, once timely commenced, such repairs or demolition must be pursued diligently to completion. If, however, damage to the Improvements is not covered by insurance, or if the Owner's claim is not approved by the Owner's insurance company, or if the Owner decides not to restore the Improvements at such time, then the Owner may apply for a "hardship" extension to the operation of this restriction to be submitted to the Board within sixty (60) days from the date of such destruction or damage. The Board shall rule on the Owner's Application for a "hardship" extension within thirty (30) days from the date of submission. In no event shall the granting of a "hardship" extension in a particular case be deemed a waiver of the right to enforce this restriction thereafter. If a hardship extension is granted, the Owner thereafter immediately shall cause the damaged or destroyed Improvement to be demolished and the Lot to be suitably landscaped, subject to the approval of the Architectural Control Committee, so as to present a pleasing and attractive appearance. It shall be the duty of the Owner to keep all exterior finishes in good and attractive condition. Should Owner fail to do so, the Association may make such repairs and painting as may be necessary to maintain the overall attractive appearance of the property consistent with the subdivision standards and all charges therefor shall be borne by the Owner.

SECTION 5.26. DUTY OF MAINTENANCE - The Owner of each Lot shall, at the Owner's sole cost and expense, keep the Owner's Lot

This restriction shall not apply to any vehicle, machinery, or equipment temporarily parked and in use for the construction, repair or maintenance of a house or houses in the immediate vicinity; provided, however, overnight parking of any vehicles in the street is prohibited. Owners or occupants of Lots may seek a temporary variance from this restriction for their guests, however, any such request for a variance must receive the prior approval of the Board of Directors of the Association. The Board of Directors of the Association may adopt additional Rules and Regulations regulating parking on the streets in the Subdivision. Trucks with tonnage in excess of one ton shall not be permitted to park overnight on the streets, driveways or on any Lot. Any vehicle parked in violation of this section or parking rules promulgated by the Board may be towed.

SECTION 6.4. All trash, garbage, or waste matter shall be kept in adequate containers which shall be constructed of metal, plastic or masonry materials, with tightly-fitting lids, and which shall be maintained in a clean and sanitary condition. No Lot shall be used for open storage of any materials whatsoever, except that new building materials used in the construction of improvements erected on any Lot may be placed upon such Lot at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without unreasonable delay, until completion of the improvements, after which these materials shall either be removed from the Lot, or stored in a suitable enclosure on any Lot. No garbage, trash, debris, or other waste matter of any kind shall be burned on any Lot. All woodpiles, yard equipment and other similar items shall be located or screened so as to be concealed from view of neighboring Dwelling Units, streets, the Golf Course, and property located adjacent to the Lot. SECTION 6.8. ANIMALS - No animals of any kind shall be raised, bred, or kept in the Subdivision except as hereinafter provided. A total of two (2) household pets may be kept on a Lot (except for fish of a type customarily kept within normal home aquariums, with respect to which there shall be no limitation on amount) provided that: (a) they are not kept, bred, or maintained for commercial purposes; (b) they do not make objectionable noises, create any objectionable or, otherwise constitute an unreasonable nuisance or danger to other Owners; (c) they are kept within the Dwelling Unit, an enclosed yard on the Lot occupied by the Owner of such pets, or on a leash being held by a Person capable of controlling the animal; and (d) they are not in violation of any other provision of this Declaration and such limitations as may be set forth in the Rules and Regulations. The Association, acting through the Board,

shall have the right to prohibit maintenance of any animal that, in the sole opinion of the Board, is not being maintained in accordance with the foregoing restrictions. Each Owner, tenant or guest of an Owner shall have the absolute duty and responsibility to clean up after such animals to the extent they have used any portion of the Lot of another Owner or any Common Areas.

The Declarant and the Association shall also have the right to erect identifying signs at each entrance to the Subdivision. In no event shall any sign, billboard, poster or advertising device of any character, other than as specifically prescribed in the first sentence of this Section 6.9 be erected, permitted or maintained on any Lot without the express prior written consent of the Architectural Control Committee.

SECTION 6.10. ARTICLE VII

COVENANTS FOR ASSESSMENTS

SECTION 7.1. CREATION OF THE LIEN AND PERSONAL OBLIGATION FOR ASSESSMENTS - The Declarant, for each Lot owned within the Subdivision, hereby covenants, and each Owner agrees and covenants by acceptance of a deed to pay the Association:

- (a) Annual Assessments;
- (b) Special Assessments; and
- (c) Reimbursement Assessments, all as hereinafter defined.

The Annual, Special, and Reimbursement Assessments (the "Assessments"), together with interest, costs and reasonable

attorney's fees, shall also be a charge on the land and shall be a continuing lien upon the property against which the Assessments are made. The assessments, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner or such property at the time when the Assessments fell due.

SECTION 7.2. PURPOSE OF ANNUAL ASSESSMENTS - Each Lot in the Subdivision is hereby subjected to an Annual Assessment for the purpose of creating a fund to be designated and known as the "Maintenance Fund", which Annual Assessment will be paid by the Owner or Owners of each Lot within the Subdivision to the Association, on or before January 1 of each year, in advance annual installments, commencing on a date and in a manner to be promulgated by the Board of Directors of the Association. The rate at which each Lot will be assessed will be determined annually and may be adjusted from year to year by the Association, as hereinafter provided as the needs for the Subdivision may, in the judgment of the Association, require. Such assessment will be uniform, except as hereinafter provided for Declarant and any Builder to whom Declarant sells a Lot. The Association shall use proceeds of said Maintenance Fund for the use and benefit of all residents of the Subdivision, as well as any other subdivision brought within the jurisdiction of the Association; provided, however, that other subdivisions to be entitled to the benefit of this Maintenance Fund must be impressed with and subjected to the Annual Assessment on a uniform, per Lot basis, equivalent to the Annual Assessment imposed hereby. The uses and benefits to be provided by the Association shall include, by way of clarification and not limitation, at its sole option, all costs of Declarant in preparation of this Declaration, formation of the Homeowners Association, and other front end costs in developing Common Areas and amenities, and any and all of the following: constructing and maintaining paths, parks, lakes, landscape reserves, parkways, easements, esplanades, fences, cul-de-sac and street medians, recreational facilities, including swimming pools and tennis courts, play courts, and other common areas, payment of all legal and other expenses incurred in connection with the enforcement of all recorded charges and assessments, covenants, restrictions and conditions affecting the Subdivision to which the Maintenance Fund applies, payment of all reasonable and necessary expenses in connection with the collection and administration of the Assessments, employing security, lifeguards, instructors, and

operators, caring for vacant Lots, garbage collection, and doing other things necessary or desirable, in the opinion of the Association, to keep the Subdivision neat and in good order or which is considered of general benefit to the Owners or occupants of the Subdivision. It is understood that the judgment of the Association in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith. Nothing herein shall constitute a representation that any of the above will, in fact, be provided by the Association.

SECTION 7.3. MAXIMUM ANNUAL ASSESSMENT - Until January 1 of the year immediately following the conveyance of the first Lot to a resident Owner, the maximum annual Assessment shall be \$600.00 per Lot per year.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Annual Assessment may be increased each year not more than fifteen percent (15%) above the Annual Assessment for the previous year without a vote of the membership. Said 15% shall be compounded annually for each year from the date hereof, meaning that the Annual Assessment may be increased by the accumulated maximum amount.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above compounded fifteen percent (15%) by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.
- (c) The Board of Directors may fix the Annual Assessment at an amount not to exceed the maximum permitted herein.

SECTION 7.4. SPECIAL ASSESSMENTS - In addition to the Annual Assessments authorized above, the Association may levy, any assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any use or benefit provided for herein in Section 7.2. Provided, however, any such assessment shall have the assent of two-thirds (2/3rd) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

SECTION 7.5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 7.3 AND 7.4 - Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.3 or 7.4 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At any such called meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, subsequent meetings may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 7.6. UNIFORM RATE OF ASSESSMENT - Both Annual and Special Assessments must be fixed at a uniform rate; provided, however, Lots which are owned by a Builder, as defined herein, shall be assessed at the rate of one-half (1/2) of any Annual Assessment or Special Assessment. Provided further, Lots owned by Declarant are exempt from the payment of Annual and Special Assessments until the Class B membership has converted to Class A membership as provided in Section 3.4, and at such time, as long as such Lots do not have Improvements on them, Declarant's Lots shall be assessed at one fourth (1/4) of any Annual or Special Assessment.

SECTION 7.7. DATE OF COMMENCEMENT AND DETERMINATION OF ANNUAL ASSESSMENTS - The Annual Assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to an Owner. The first Annual Assessment shall be adjusted according to the number of days remaining in the calendar year. The Board of Directors shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors.

SECTION 7.8. REIMBURSEMENT ASSESSMENTS - The Board of Directors, subject to the provisions hereof, may levy a Reimbursement Assessment against any Member if the failure of the Member or the Member's family, guests, or tenants to comply with this Declaration, the Articles of Incorporation, the Bylaws,

Minimum Construction Standards, or the Rules and Regulations shall have resulted in the expenditure of funds or the determination that funds will be expended by the Association to cause such compliance. The amount of the Reimbursement Assessment shall be due and payable to the Association (10) days after notice to the Member of the decision of the Board of Directors that the Reimbursement Assessment is owing.

SECTION 7.9. ESTOPPEL CERTIFICATES - The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

SECTION 7.10. ATTRIBUTION OF PAYMENTS - If any Owner's payment of an Assessment payment is less than the amount assessed and the payment does not specify whether it should be applied against a Common Assessment, Special Assessment, or Reimbursement Assessment, the payment received by the Association from the Owner shall be credited in the following order of priority: (a) Reimbursement Assessment until satisfied; (b) Special Assessment until satisfied; (c) Annual assessment until satisfied. In each application of funds, payments shall be credited first to interest, attorney's fees, and other costs of collection, and then to principal reduction.

SECTION 7.11. EFFECT OF NONPAYMENT OF ASSESSMENTS - Any assessments not paid within thirty (30) days after the due date shall be delinquent and shall be subject to the following:

- (a) Late charges, interest at the rate of eighteen percent (18%) per annum from the due date or the maximum rate of interest allowed by law, if less than eighteen percent (18%), and all costs of collection, including reasonable attorney's fees; and
- (b) All rights of the Owner as a Member of the Association shall be automatically suspended until all Assessments and related costs are paid in full, including usage of the common Area, and during such suspension, such Owner shall not be entitled to vote upon any matters coming

before the membership. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the common Area or abandonment of his Lot.

The Association may bring an action at law against the Owner personally obligated to pay same or foreclose the Association's lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association either judicially or non-judicially by power of sale, and each Owner expressly grants to the Association a power of sale in connection with the non-judicial foreclosure of the Association's lien and the right to appoint trustees to exercise said power of sale. Non-judicial foreclosure shall be conducted by notice and posting of sale in accordance with the then applicable laws of the state of Texas; and the Board of Directors of the Association is expressly empowered hereby to designate a trustee in writing from time to time to post or cause to be posted any required notices and to conduct any such non-judicial foreclosure sale. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale, and to acquire, lease, mortgage, or convey same.

SECTION 7.12. NO OFFSETS - The Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted for any reason including, without limitation, any claim the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration or claim by the Owner of non-use of the Common Areas or abandonment of his Lot or claim by the Owner of inconvenience or discomfort arising from the making of repairs or Improvements to Common Areas from any action taken to comply with any law or any determination of the Board of Directors or from any other reason.

SECTION 7.13. SUBORDINATION OF THE LIEN TO MORTGAGES - The lien of the Assessments provided for herein shall be subordinate to any purchase money liens or any other validly created lien as against the homestead. Sale or transfer of any Lot shall not affect the lien of the Assessment; however, the sale or transfer of any Lot pursuant to the foreclosure of a purchase money lien or any proceeding in lieu thereof, shall extinguish the lien of the Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from

liability for the Assessments thereafter becoming due or from the lien thereof.

SECTION 7.14.
